

# NEWS AND EVENTS OF THE DAY

## Young Innovators Network for sustainable Ideas in the Agro-Food Sector

**NO-BLE Ideas project**  
**May 2013**

### Local Points Services

- ◀ **Technical evaluation on preliminary idea:** addressed to young researchers or NO-BLE Ideators who are developing an idea, or are about to do so, and want to have a technical opinion to evaluate whether the idea is really applicable at the entrepreneurial level and if its costs are feasible;
- ◀ **Evaluation of the feasibility of the idea - Consultancies (managerial, financial, legal):** addressed to researchers or NO-BLE Ideators who have already developed the preliminary plan of a project idea or a research project, are sure about its feasibility and need a support to develop it, in order to candidate the project for funding;
- ◀ **Links to start-up initiatives and/or funds:** addressed to researchers, entrepreneurs and NO-BLE Ideators who have finalized a project proposal in all its aspects and are in search of funding opportunities-identification of concrete funding opportunities at national, transnational and EU level;
- ◀ **Spaces/tools to put in touch young innovators and develop new synergies:** addressed to individuals or group of researchers and NO-BLE Ideators who lack partners to jointly develop an idea-organize periodical „find a partner” days.
